

Elden Register, USA

13 MORNING VIEW, IRVINE, CA 92715 ☐ (714) 854-1217

Dear Elden Owner:

Welcome to the Elden Register, USA. I am pleased to report that we have made contact with 15 Elden owners representing at least 18 cars. In addition, we have also written Elden designer Peter Hampshire who has kindly responded with some very interesting facts and photos that will find their way into the first issue of our upcoming newsletter. The most exciting news we will have to report is the re-forming of Elden by the Hampshire family and the possibility of new spares becoming available.

I will try to give a little background on each car in the Register in our first newsletter so I ask that you take a few moments to fill out the enclosed information sheet and perhaps include a photo of your car in action.

Warm regards,

Paul Pfanner
